#### Quote

The joy of engineering is to find a straight line on a double logarithmic diagram

-Thomas Koeming

### **WEBINAR ON TEACHING PEDAGOGY**

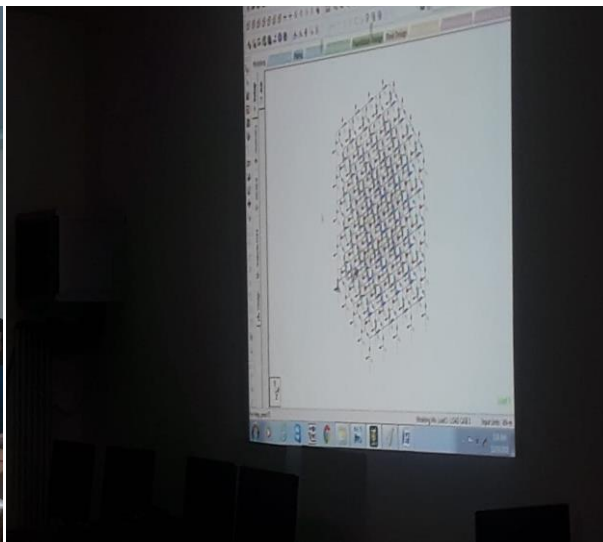

A webinar On teaching methodologies was organized by Civil Engineering Department on 4.12.2018. The speaker at the webinar was Dr. Syed Mazhar Uddin from ARA university New Zealand via web link. He discussed about academic employability of engineering graduates of various countries of the world with the emphasis on the needs of changing the teaching methodologies in India to make engineering graduates as industry ready and increase their employability.

All the Department Faculty actively participated in the webinar.

## **Traning on STAAD Pro**

Hands on training on STAAD PRO was organized by Civil Engineering Department from 2.1.2019 to 7.1.2019. Final year students were selected for the training based on their academic performance to make them ready for industrial exposure.

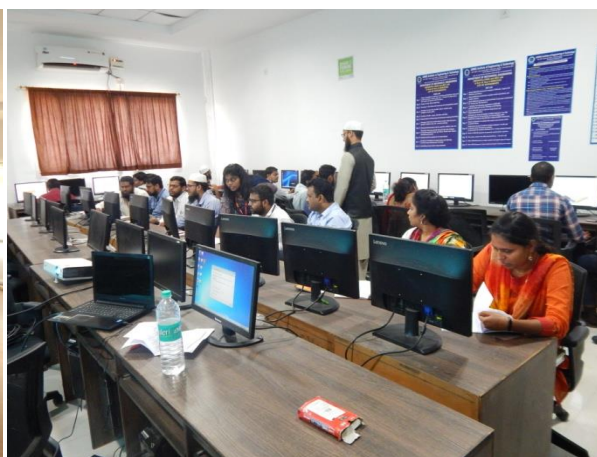

Students actively participated in STAAD Pro training

## **Faculty Development Program on Autodesk Revit Architecture**

Faculty Development Program on Autodesk Revit Architecture was organized by Civil Engineering Department from 7.1.2019 to 11.1.2019 by ICT Academy. The aim is to focus in making the transmission of knowledge from the faculty to students effectively with all the tools associated with Autodesk Revit Architecture. Faculty Development Program is based on registration process through online, many of the organizations faculty registered and participated in the program

## Motivational talk and Expert lectures

Civil Engineering Department has organized motivational talk and Expert lecture on 6.02.2019. The Experts were Dr.V. Subramania Bharthi (Head of the Civil Engineering Department), Er. Mohammed Moizuddin (Dir-FIN, IBM, senior VP-Tech, DBS) and Dr. Dean Kumar (Professor, JNTUH). All the Civil Engineering Department students participated in the programme.

Dr.V.Subramania Bharthi talked about Personality Development Traits along with subject content. Er. Mohammed Moizuddin talked and interacted with the students on different traits to tackle during one's study period and skills needed to get employed. Dr. Dean Kumar talked about the failures in concrete, its causes and preventive techniques.

Dr.V. Subramania Bharthi at motivational talk

Er.Mohammed Moizuddin enlightening students to achieve goals

Dr. Dean Kumar delivering his experience on civil engineering consultancy projects

**STUDENT OF CIVIL ENGINEERING DEPARTMENT BAGGED THE GOLD MEDAL AT THE ALL INDIA INTER UNIVERSITY TAEKWONDO CHAPIONSHIP**

Congratulation to Civil Engineering Department, final year student Mr. Mohammed Ilyaz selected in JNTUH taekwondo men and women university selections 2019 bagged the gold medal (under 58kg weight category), competition held at NIT Warangal on 9.2.2019.

**STUDENT OF CIVIL ENGINEERING DEPARTMENT PARTICIPATED IN LEARN PROJECT  
INITIATIVE BY BARRISTER ASADUDDIN OWAISI, M.P HYDERABAD**

Civil Engineering final year student Mr. Osama Bin Moazzam bearing roll no : 15M21A0150 participated in the program and interacted with Barrister Asaduddin Owaisi on various issues and he answered their questions about youth participation in parliamentary democracy.

AIMIM Chief Mr.Asaduddin Owaisi has found a unique way to connect with youth of Hyderabad. His new initiative, Learn Project aims to nurture the spirit of constitutionalism among the youth of Hyderabad. The Heritage walk was organized on 9.2.2019, as a part of his recently launched initiative. The ‘LEARNers’ got an opportunity to learn from him about the history and Heritage of Hyderabad.

Mr. Owaisi interacts with students.

### A very special tour guide

By Sanyukta Iyer, Mumbai Mirror | Updated: Feb 10, 2019, 06:00 IST

*Owaisi with youngsters on the second floor of the Charminar*

**AIMIM chief Asaduddin Owaisi** has found a unique way to connect with the youth of Hyderabad. Mirror joins him on one of his heritage walks.

Asaduddin Owaisi, fiery orator, avid biker and a strong proponent of constitutionalism, is in his element on a chilly morning in Hyderabad. We are on the second floor of the Charminar, and the Hyderabad MP is seeking the eager ears of a group of 50 youngsters.

## CONSTRUZIONE & SMART INFREST-2019

Department of civil engineering, LORDS Institute of engineering and technology hosted 2 day national technical fest from 28.3.2019 to 29.3.2019 in which students from various colleges like VJIT, VBIT, MIRIT, IARE, Narayana engineering college(Nellore) participated in the seminar and competitions.

The Following top Industrialist and academicians addressed the students and shared their experience.

1. Er. P. Surya Prakash (M.D, Satyavani Projects and Consultatnts pvt.ltd)
2. Mr. T. Rambabu ( Director, Bharat Geosystems pvt. Ltd.)
3. Dr. Ramarao (Prof. Vasavi College of Engineering)

On 30.3. 2019, Sports were conducted in which students from civil engineering department actively took part followed by food fest.

### **CULTURAL FEST (ARENA) AND VALEDICYOTY CEREMONY**

On 2.4. 2019, Valedictory Ceremony was held in which the students were addressed by Mrs. Rizwana Begum (Secretary, LIET) and Dr. Mohammed Yusuf Ali (Principal, LIET) followed by cultural programme and prize distribution.
