EXUMBERANCE

MESSAGE FROM PRINCIPAL

It gives me an immense pleasure to welcome you all to LIET campus. A well planned beautifully developed and eco-friendly landscaped campus. Where we celebrate youth and excellence and attempt to transform young students into professions with insight of social responsibility. I would like to make this college as a premier college for imparting quality learning to young aspirants of today's world. We are not only strive to educate the students to become excellent technologists thinkers and leaders of the society but also help them mould themselves into better human beings.

LIET campus has long term vision being to achieve greater heights in the field of education by providing an opportunity to each and every individual to opt the right path, realize the value of education ad attain their goals by adding values through quality education.

We hope that you would use this opportunity to recognize your full prospective and bring out the best in you. We ensure that the excellent academic environment and the opportunity to participate in co-curricular activities will also help you in shape your personality. I believe that your education in LIET campus will be a fulfilling experience.

I extend my warm best wishes to all students for empowering you to lead a successful life.

Dr. Mohammed Yousuf Ali
Principal of LIET

MESSAGE FROM HOD DESK

Department is involved in teaching and research in current areas of development. The department has been giving importance to the development of Electrical labs by procuring the state of new technologies.

The faculty members published technical papers in national and international conferences and journals. The department is fortunate to have dedicated teachers, devoted students, and committed supporting staff and expert technical staff.

Specially I congratulate those who got placed in various companies and I encourage all the students to prepare for competitive exams.

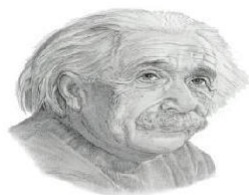

Dr.P.Mahes Kumar
HOD of EEE
