Anurag University – Creating a tangible impact on tomorrow

Dr. Palla Rajeshwar Reddy

Anurag University is widely recognized as a name that stands for quality education and the launch pad for a great future. The journey of Anurag University began over two decades ago in Hyderabad, when visionary leader Dr. Palla Rajeshwar Reddy, Chairman, established Lalitha Degree College in 1998. Over the years, he expanded the scope of education, as he went on to establish CVSR College of Engineering in 2002 and Lalitha College of Pharmacy in 2005. He then integrated all three institutions under the umbrella of Anurag Group of Institutions in 2010 and earned the status of a private university in 2020. All the institutions are committed to building the futures of thousands of students each year.

Anurag University is one of Telangana's top private institutions and is ranked 180th in Engineering, in the 76-100 band in Pharmacy, and in 151-200 band in the overall category in NIRF 2020. The university offers 22 undergraduate, 19 postgraduate and 14 doctoral programs for its students.

The world is evolving fast, and so are the demands for the professionals of tomorrow. Anurag University is introducing the Schools of Liberal Arts, Sciences, and Agricultural Science this year to help students overcome challenges tomorrow. With a reputation for building great futures, the university recorded Telangana's highest placement this year with 1300+ offers. The University has consistently placed students at some of the most reputed companies in the industry. With over 150 recruiters on board, the university has a record of 100% placements with 11.3LPA being the highest offer this year.

The infrastructure at Anurag University is truly world-class. The vast and inspiring 100+ acre campus, is surrounded by green pockets for the students to relax and connect with nature while learning. It also has a provision for 100% hostel accommodation of students, so they experience quality education on campus.

With a rapidly changing business, technological and social landscape, the world constantly throws new challenges. Innovation, preparedness and character will be key to facing these challenges of tomorrow. Anurag University believes in equipping students for these unknowns that tomorrow may hold. They offer multidisciplinary courses to help develop a wider perspective, and inspire out-of-box approaches. Hence, every student that walks through these gates can make a tangible impact on tomorrow.

VJIT – Learning Global Technologies to Create Indian Solutions

Founded in 1998, by a group of committed academicians and enterprising educationists, Vidya Jyothi Institute of Technology (VJIT) quickly won the confidence of the parent community and students, to emerge one of the select destinations for future engineers.

- More than two decades of proven educational excellence
- Over 20000 Alumni spread across the world
- Approved by AICTE, New Delhi
- All six eligible programs CSE, ECE, EEE, MECH, IT and Civil are accredited by NBA
- Included under 2(f) and 12(B) of UGC in 2014
- Permanently affiliated to JNTUH in 2014-15
- UGC Granted Autonomy for 6 years
- Accredited by NAAC
- MSME Recognized Incubation Center
- Consistent placement track record

Academic Leadership at VJIT is ensured by the best professors, with experience in shaping the minds and giving wings to thousands of exceptional careers. VJIT emphasizes on research and development and has created a fully functional R & D centre to promote research culture on campus.

Following the technology trends and based on the opinion of industry experts, new courses are introduced. The curriculum for each course is reviewed and updated to prepare students for futuristic challenges. Multidisciplinary learning is encouraged and students are permitted and facilitated to do courses beyond their core disciplines.

At VJIT, students are provided multiple training platforms, which aim to continuously engage them in a 360 Degree Development Perspective. Students are further encouraged and trained to achieve certifications in their favoured technologies, making them industry ready engineers. The following are the Centres of Excellence

- Virtusa Center of Excellence
- Qlik CoE in Data Analytics
- Embedded & IoT Laboratory, Networking Laboratory and Data Acquisition Laboratory
- Lean Techno CoE in Manufacturing
- Recognized JNTUH Research Centers
- ICI Knowledge Centre
- AWS Educate Program

Placement oriented training is initiated from the first year of education and is continuously provided all through the years till the student graduates. As per VJIT, it has achieved good placements in the academic year 2020-21, with more than 500 offers from 35+ recruiters.

VJIT students are also known to provide innovative solutions and have been consistently winning contests and competitions in innovation, held at state and national level. VJIT's core educational philosophy is to integrate the efforts of understanding global technological advancements and create solutions for the local community which helps in national progress.
