## MAGNUS

### College Annual Magazine

2021-2022

#### VISION

To excel the student's knowledge and ability, skills by the basic concepts of science and to enhance creative ideas to create new things.  
To attain excellence in pedagogy, and provide potential skills in the areas of humanities and social sciences.

To prepare professional leaders to face the emerging global challenges and to foster cultural enrichment.

Strives to create an atmosphere of learning to enable the students to develop sound cognitive and problem solving skills.

To craft life-long readers and writers and to train their critical flavor and to enable them to arrive at an estimate of a given work of art.

To contribute significantly to the country's goal of a 'developed country' in all aspects.

#### CHIEF PATRON's

**Sri. C.A. Basha Mohiuddin**  
The Chairman, Lords Educational Society  
**Smt. Rizwana Begum**, Secretary,  
Lords Educational Society  
**Sri. Touseef Ahmed**, Vice Chairman,  
Lords Educational Society

#### PATRON's

**Dr.C.V. Narasimhulu**, Principal, LIET  
**Dr. Syed Azam Pasha Quadri**, Vice Principal,  
LIET

#### CONVENER

**Dr. J. Sasi Kiran**, Prof & Dean – 1<sup>st</sup> Year

#### MISSION

To Provide an amicable ambience to inspire the students to indulge in authentic research, creativity and innovation.

To Encourage the students to know the practical applications of concepts through experience and participation.

To improve logical thinking and systematic action of students.

To Develop students' ability to converse rationally, speculatively, and inventively in ways that are appropriate across the disciplines.

To endeavor to excel in knowledge and human resource capacity building in science without sacrificing quality and quantity.

To provide basic and advanced skills to students in computer software enabling self - reliance and maximization of capabilities.

#### EDITORIAL BOARD

##### Chief Editor:

**Dr. J. Sasi Kiran**, Prof & Dean – 1<sup>st</sup> Year

##### Associate Editor:

**Prof. Tahseen Fatima**, HOD-English Dept.  
**Prof. Reshma Bushra Ghouri**, English Dept.

##### Editors:

**Dr. Mujeeb Hasan**, Physics Dept.  
**Prof. Syeda Amatul Azeem**, English Dept.

##### Faculty Coordinators:

**Prof. D. Sharon S. Rani**, Chemistry Dept.  
**Prof. Arshiya Anjum**, Chemistry Dept.

## MESSAGES FROM GOVERNING BODY & EDITORIAL BOARD

### MESSAGE FROM CHAIRMAN'S DESK

I would like to congratulate the task force that brought to light the current issue of MAGNUS. It chronicles the activities and achievement of Lords Institute of Engineering and Technology which in future will form part of the history of LORDS. The main purpose of our college newsletter is to inform, engage, inspire and entertain diverse readership including almanac, parents, students, faculty and other friends of the LORDS family. Hence we shall place each foot and speak every word with so much diligence that posterity may not fault with us. We have best facilities, infrastructure, faculty and all amenities that makes LORDS a leader among the professional educational institute in Telangana. It gives me immense pleasure to write that LORDS is the only minority college with autonomous status which help to raise the standard of education in an engineering

Field the unique strength skills and knowledge that student acquire from our class room will render them invulnerable and indefatigable. Let us convert this unique power into activities that may reflect on the pages of LIET news at present and echo over the globe in future. In light of these facts, I wish LIET cultivates a personal leadership style to become successful in a future society.

### SECRETARY'S MESSAGE

I am very proud that Lords has been successful engineers in different branches as Engineers play a vital role in nation building. They create new inventions using best engineering technologies to make human life more comfortable, secure and productive. A remarkable semester has come to an end with many developments to the credit of our institute. The enthusiasm with which we have worked throughout the year is precious and contagious. The last three months of the year 2022 were a great phase for academic achievements. We have been granted **02** patents. It is delightful to see that many of our professors were invited as experts for various online FDPs, Workshops, and Conferences. I wish that the New Year rings in with more accolades for our students and faculty, and we will reach new heights of academic excellence and innovation. And I believe

Together we can do it. We have identified the needs of modern engineering and technology education for modern age students, with a vision and mission accompanying transparency, accountability and accessibility which keeps us abreast and also ahead of our competitors. At the outset, I send my greetings to the Editorial Board of Science and Humanities, for working on the newsletter.

### VICE CHAIRMAN'S MESSAGE

Lords Institute of Engineering and Technology was established to impart academic excellence by providing a conducive environment for the overall personality development of Young technocrats. Spanning more than a decade, the college is covering many milestones year after year incorporating all modern mechanisms of technological research and application. Within this span of time, it has emerged as one of the leading Engineering colleges. We have a perfect blend of academics and dynamic environment to motivate everyone – the management, faculty and students to deliver their best. Our objective is to create a class of Qualified, innovative and dynamic professionals for the Engineering sector, for self-employment and for academic & research institutions of socio-economic importance. A visit to T Hub provided an opportunity to our students to meet K. T. Rama Rao and other dignitaries who inspired them to know about the innovations in the field of business and

Different strategies of entrepreneurship. I congratulate the team for compiling this newsletter with lot of efforts.

### JOINT SECRETARY'S MESSAGE

Greetings and a very warm welcome. Our college works diligently to realize its mission of providing the best learning, teaching and research opportunities to students and academicians alike, it continues to supply students with the basics of modern knowledge and high values. The research activities of our faculty lead to an extraordinary enrichment of the experience of our students that is realized at both the graduation and Masters levels. Our mission is to seek solutions to global challenges by using the power of engineering principles, techniques and systems. We believe that engineers should not only possess deep technical excellence, but also nurture creativity, cultural awareness and entrepreneurial skills that come from exposure to science, business, medicine and other disciplines – all an integral part of the LORDS experience. Our students

Learn the joy as well as the rigours of new discovery, and acquire skills of inquiry, evaluation, and communication that provide a foundation for the next phases of their careers and lives. I adieu with wishing that, "This is the beginning of anything you want".

### PRINCIPAL'S MESSAGE

Our College has grown abundantly in the recent past. It continues to sustain its growth. People reading this Annual College Magazine "Magnus" will realize the tremendous changes that are happening in the campus. The Newsletter is presenting a glimpse of the growth of the institution on many fronts. The highly qualified and dedicated staff member have always stood shoulder to shoulder with the management and has carried out their duties with high level of commitment. The cherished motto of LIET is to produce world class Engineers for converting global challenges into opportunities through value embedded quality technical education. We have been constantly debating on one point-Quality Education, since today it's not mere academic education alone to be looked at, but the students' overall growth and development. We provide our time tested

Educational methodology along with our unique in-house training programs incorporated along-side the curriculum which has benefited our students, as we had the best placement season in 2022 with around **300** offer letters from many reputed multi-national companies. This Newsletter has recorded achievements such as conferences attended by staff members and students, competitions won by the highly talented students, innovative projects carried out by students under the guidance of faculties, among others. Let's give our best and make this institution a modern sanctuary of learning through our diligence, devotion and dedication. I congratulate all the contributors and the editorial board for bringing out such a beautiful Newsletter. I sign off with a phrase "The journey of a thousand miles begins with a single step."

### **VICE-PRINCIPAL'S MESSAGE**

It gives me immense joy to learn that our College has its deep roots in the field of education in the city of Hyderabad. I feel proud and privileged to be the part of this Magnificent Institution. Our college profoundly encourages research mindedness and is even more forward looking to support establishment of research centers, bring people together through events, invest in setting up labs with expensive equipment's, ensure continued availability of material and inputs to cater to the aspiring researchers. At this juncture, I gratefully acknowledge the yeomen service rendered by the Visionary Predecessors, dedicated teachers and ever supporting parents who have worked selflessly and tirelessly to bring Newsletter of Science and Humanities department of our college. I am pleased to acknowledge that our college lays its stress not just on academic excellence but also on "character formation with academic excellence". I am ending with a note, that "this is just a beginning and many more to come".

### **CHIEF EDITOR'S MESSAGE**

LORDS Institute of Engineering and Technology is committed to creation of knowledge through research across all academic disciplines. In addition to the academic research conducted by students at the undergraduate and postgraduate levels, our faculty members are involved in high value research and development initiatives, some of whom are funded. Our goal is to deliver world class - solution driven programmes that inspire curiosity and generate new knowledge and discoveries. It gives me great pleasure to bring you Annual Magazine "MAGNUS" 2021-22. This issue offers a panoramic view of the academic, professional and cultural activities of the college. The name and fame of an institute depends on the calibre and achievements of the students and teachers. I would like to place on record my gratitude and heartfelt thanks to all those who have contributed to make this effort a success. I profusely thank the management for giving support and encouragement and a free hand in this endeavour. The editorial team thanks all its patrons for their support for the newsletter. I welcome suggestions from all our readers who wish to see their ideas incorporated in the subsequent issues. Please feel free to provide your feedback and send pertinent information with photos for inclusion in our forthcoming issues of newsletter.

## Events Conducted

### 1. B.E 2022 Fresher's Day

Date: 21-05-2022

Fresher's day was celebrated on 21st May 2022 with a lot of enthusiasm in the Campus Ground of LIET. It was an event for the fresher's of B.E Programme with a lot of memories to be remembered. The programme started with a warm-up session followed by cultural activities. The students of 1<sup>st</sup> year and second year took part in the cultural activities. C.A. Basha Mohiuddin - Chairman of LIET and Mrs. Rizwana Begum, Secretary were invited to grace the dais, followed by Dr. C.V.Narsimulu - Principal LIET, Dr. Azam Pasha Quadri sir - Vice-Principal, Dr. J. Sasi Kiran - Dean first year and Dr. Shaik Shawali - Dean students affairs. The cultural events were enjoyed much by the newcomers and a skit was also presented by their seniors. This removed the gap between the Fresher's and Seniors and the dances were a sight to watch for. The Chief guest – Chairman sir presented the trophies to the newcomers for sports and cultural activities. At the end, the session was wrapped up by Ramp walk followed by Mr. and Ms. Fresher 2022. It was a memorable event.

## 2. Food Festival- Ethnergy

Date: 28-05-2022

The Indian culture is a blend of various cultures belonging to diverse religion, castes, regions follow their own tradition and culture and there for its Indians way of life. The ethnicity of India in its traditional wear, food habits forms an essential part of Indian culture followed by everyone. Unity in diversity strengthens. India and to preserve the same spirit of oneness we, at Lords Institute of Engineering and Technology have organized Ethnergy - Food Fest and Ethnic at Lords Cricket Grounds on 28-05-2022. The day started with Faculty and students wearing colorful, various outfits and attires, like Band gala, Sherwani, Dhoti-Kurta traditional outfits for boys and Men -Salwar Suit, Chooridar, Saree, with Long Lehengas for girls and Women. Food Festival was inaugurated by Mrs. Rizwana Begum - Secretary Madam and various stalls were organized which were a delight on the taste buds. Colorful food platter ranging from chats to smoked food were served and drinks from golas to sugarcane were all available. The day ended with soft music with great food to relish.

## 3. Ideation Day

Date: 18-06-2022

Ideation day was celebrated on 18-06-2022 with a theme of "Exploring the ideas" by Lords TBI and E-Cell 1<sup>st</sup> Year Students. The ideation day has been conducted to explore and exhibit the ideas of Lords students to start as incubators and end as startups. This event is very much helpful to students and they can become entrepreneurs. Around 60 members with 13 ideas have participated in the event. The event started at 10:00 AM with the inaugural ceremony and closed by 4:30PM by valedictory function.

#### 4. International Yoga Day

Date: 21-06-2022

International Yoga day was celebrated on 21st June 2022 under the guidance of Dr. Ibrahim Jilani, Yoga Instructor, Telangana Yoga Association organized by Department of Physical Education & NSS Unit of LIET. Mr. Mohammed Habeeb Khan, Physical Director has conducted this wonderful event that was very much helpful for physical fitness. Total number of participants were more than 85 who were very active and celebrated the day with full of energy. "Yoga is an invaluable gift of India's ancient tradition. It embodies unity of mind and body; thought and action; restraint and fulfillment; harmony between man and nature; a holistic approach to health and well-being. It is not about exercise but to discover a sense of oneness with yourself, the world, and nature. Changing our lifestyle and creating consciousness, can help in well-being. Let us work towards adopting an "International Yoga Day 2022".

#### 5. Annual Day

Date: 25-06-2022

The 19<sup>th</sup> Annual Day Celebration was held on 25<sup>th</sup> June, 2022 Saturday in the LIET Campus in a very grand manner. The Management, Staff and students of Lords College with great determination and efforts made this program a grand success. The Program was hosted by different set of anchors (students from 1<sup>st</sup>, 2<sup>nd</sup> and 3<sup>rd</sup> year) for each session. The variety of cultural programmes by students contributed it to be a memorable event. The warm up session with different cultural activities was a good start. Video presentation by IT dept. Showed about the different events and sports organized by LIET in the whole year for students. The dignitaries i.e Guest of Honor Dr. Mohd Ather Ali, Professor & NSS officer, University College of Science, OU, and Chief Guest, Dr. P. Laxminarayana, Registrar, OU, graced the occasion along with The Chairman of the Institute, C.A. Basha Mohiuddin, Mrs. Rizwana Begum, Secretary of LIET, Vice- Chairman, Mr. Touseef Ahmed, the Principal of LIET, Dr. C V Narasimhulu. Vice -Principal Dr. Azam Pasha Quadri, Dean First year, Dr. J. Sasi Kiran and Dean Students affairs and Admissions Dr. t.k. Shaikh Shavali

## 6. Visit to T-HUB 2.0

Date: 28-06-2022

Lords TBI conducted a two days visit to T- HUB 2.0 on 28<sup>th</sup> and 29<sup>th</sup> June 2022 at Hitech city, Hyderabad. The World's largest innovation campus provided an opportunity for our students to interact with the world class innovators and industry experts. A Total of 7 participants have participated for this event comprising of Faculty and students. It is Promoted by the Telangana Government, phase 1 of T-Hub started operations in 2015 at the temporary location situated at the International Institute of Information Technology (IIIT-H) at Gachibowli. T-Hub is a Hyderabad-based startup ecosystem enabler by facilitating collaborations between startups, venture capital firms, corporate, governments and academia. The basic objective of T-Hub is to encourage young entrepreneur's start-up and scale up their operations. They can come with a business idea to T-Hub, which will help them translate it into a product or service. The Directors & Team TBI we're invited to the launch of T-Hub 2.0 on 28th of June 2022. All the leading Business Incubators and Accelerators across the state were also present at the event along with national and international guests. Hon. Minister of Municipal Administration, & Urban Development, Industries, Commerce, Information Technology and Communications, Government of Telangana Shri KT Rama Rao was also present at the venue and had a brief discussion with Prof. Nomaan Abdul Majeed, Associate Director of Lords TBI. It presented us with a great opportunity to connect with industry leaders and expand our network. With support of T-Hub, and all out partner Incubators in the Telangana ecosystem, we strive to build a strong Incubation & Innovation Culture at LIET.

## 7. Talent Hunt

Date: 02-07-2022

The Science and Humanities department of Lords Institute of Engineering and Technology successfully organized a national level Talent Hunt-2K22 on 02.07.2022 in offline mode at I-Year Block, Physics and Chemistry Laboratories, LIET. The objective of the event is not only to inculcate a scientific attitude and research-mindedness but also helped the young minds to experience real life application of Engineering / scientific discoveries. More than 150 students have been participated in various events like Engineering / Science Project Model Exhibition, Poster Presentation, Elocution, JAM and Wire frame your idea (Creative Designing) and Video Presentations. During the event students presented posters on various advanced concepts and showcased static and working models such as Electricity from Solar cell, Hydraulic Break, Metal Wire Bonsai Tree, Solar Tracking System, Detection Device (RADAR), Smartivity, Refraction and Reflection of light, Miniature of Lords campus etc. In addition to this, students had also made the charts of static and working models related to their topics to present.

The Talent Hunt-2K22 was inaugurated by Mrs. Rizwana Begum, Secretary, LIET, Mr. Syed Tanveer, Joint Secretary, LIET and Dr. C.V. Narasimhulu, Principal, LIET. The Secretary Madam and Principal Sir visited all project models and appreciated the efforts put by the students. Directors, Deans, HoD's, faculties, students, and parents visited the exhibition and motivated the students with their valuable feedbacks. They said in today's world, it is imperative to ensure that society, regions, countries, economies, and humans at large adapt to the new age of existence. Information and Communication Technology (ICT) has contributed in a large way to making this rapid change. The first step to ensure this digital transformation is to create awareness among people through this type of Project Model Exhibition and Competition platforms. It was a unique of its kind because it was blend of Science and Technology under one platform. They appreciated the steps taken by Science and Humanities Department in spreading the light of knowledge and promoting the spirit of scientific models. They commented that overall, Talent Hunt-2K22 was excellent and productive.

### ELOCUTION WINNERS

S.NO.	ROLL NO.	NAME OF THE STUDENT	BRANCH
1.	160921733002	Md. Muqtadir Quadri	CSE-A
2.	160921733159	Mohammed Junaid	CSE-C

## 8. PARENT TEACHER'S MEETING -2

**Date: 02-07-2022**

Lords Institute of Engineering Technology (Autonomous), the Department of Science & Humanities has conducted their Second Parents-Teachers' meeting in offline mode for B.E-I Year II-Semester on 2nd July 2022 at First Year Block from 10.00 am to 5.00pm. The meeting was held to declare the result of B.E-I Year II-Semester CIE- I results. The purpose of the PTM-II is not only to make parents aware of their ward's academic performance but also to encourage and motivate students to Excel in Semester End Examination. Parents were informed by the respective mentors of the class about PTM on 29<sup>th</sup> June 2022 through calling, SMS and WhatsApp groups. A reminder call about PTM was done twice i.e., on 30<sup>th</sup> June & 2022.

The schedule for PTM-I: Forenoon session: 10.00am to 1.00pm and Afternoon Session: 2:00pm to 5:00pm

Mentors made the parents and the students aware of autonomous marks distribution, passing marks for CIE and SEE, Credits to be scored at the end of the academic year, question banks for all the subjects, classes, attendance of their ward, upcoming CIE-II, Laboratory hours and most importantly Assignment and Surprise test which the students need to take care of. The students who scored outstanding marks in CIE-I were encouraged to focus on areas of their shortcomings and prepare well for CIE-II and SEE. Apart from academics the mentors suggested the students to prepare a daily schedule of study and follow it strictly till they write their SEE. The Secretary, the Principal and Controller of Examination, Dr. Syed Azam, Pasha Quadri of LIET visited First Year Block and discussed with parents about their ward's study and performance. The out station parents also attended the PTM but those who could not attend it, called the mentors and enquired about their ward's performance. PTM-I was successful as 367 parents attended the meeting out of 815. Parents are grateful to the Dean-I Year, Principal and the Management for providing wonderful opportunity for their ward to excel academically. Dr. J. Sasi Kiran, Dean-I Year was also thankful to all the parents who attended the PTM offline & also who enquired about their wards performance through online mode. He thanked the faculty for their priceless efforts. He was grateful to the management and the principal for their encouragement and support. This is one of the best practices college takes up. It instills a trust and faith among parents about the autonomous institution like ours.

## 9. Motivational Seminar on Autonomous SEE Scheme of Examination & Evaluation

Date: 03-07-2022

Dr. J. Sasi Kiran had given the information about the working days, schedule of Semester End Examinations, Pre-final examinations and instructed how to prepare for the examinations even he explained the evaluation pattern to the students. He had motivated the students that how to control the anxiety at the time of exam. Semester examinations were held from 05-7-2022 to 29-7-2022. He had given clear and accurate information about the no. of working days that too month-wise. He had explained for giving the priority of preparation for the exams according to the difficulty level of the subjects and shown the examination booklet also to get an idea to the students in order to get aware of the examinations. He advised the students to read the question paper thoroughly and select the questions from the question paper and start writing the answers very clearly, neatly in the examination. He had given the instructions to the students to reach the examination centre before half an hour and how to behave i.e. not to speak to their friends and disturb any manner in the exam hall.

He had warned to the students strictly and clearly what would be happened, the consequences and punishments if they disturb or behave mischievously and involve in any malpractice in the examination hall. He suggested the students not to bring any gadgets like smart phones watches etc. He had advised the students to take care of their health by taking good food especially preferred home-made food which is good for their health and advised to go for fruits and dry fruits which would give them vitamins, minerals required. (shown the slides on importance of nutritious food). He had discussed with the students about the distribution of marks in Internal as well as External examinations and also about the Blooms Taxonomy.

He had given the information regarding the promotion rules according to the university and explained about the Letter Grades and Grade points for example -10 points included the Award of Division. i.e. CGPA 7.5 and above is First Class with Distinction. He had given the brief information to the students to get an idea about the Evaluation & Procedure. Lastly, he reminded the students to reach the exam hall at least 15 minutes prior along with their Hall Ticket, Identity card and stationery required to the examination hall and before starting the Q&A, take a long breath and have a sip of water then fill their details like name of the examination, course, programme and date etc., and start writing the examination.

## 10. 76<sup>th</sup> Independence Day Celebrations at LIET [A]

Date: 15-08-2022

The 76<sup>th</sup> Independence day Celebrations were initiated by flag hoisting at LIET Campus with a patriotic Spirit. The Management, Staff and students of Lords college has participated and paid homage to the great leaders of the nation. The Program was hosted Ms. Syeda Amatul Azeem, Assistant Professor in English of Department of Sciences & Humanities of Lords College. The Program was a collective effort of Success. The Program was graced by The Chairman of the Institute, Basha Mohiuddin garu, Mrs. Rizwana Begum, Secretary of LIET, Vice- Chairman, Mr. Touseef Ahmed, Joint Secretary Mr. Syed Tanveer along with the Principal of LIET, Dr. C V Narasimhulu. The Chairman of Lords Institute of Engineering & Technology had the privilege of hoisting the National Flag followed by National anthem. As a Mark of Auspicious beginning the program started with Quran recitation by Ms. Maira eram of II nd Year of LIET. Many patriotic songs were organized by students and staff to spread the feel of freedom.

Dr. Rehana Anjum, HOD Chemistry delivered a patriotic Gazal to invoke the true freedom of life. Prof Aslam of Mechanical Department has sung a patriotic message-oriented song on the occasion. Students have participated in poem reading, speech in different languages. Dr. C.V Narasimhulu has reminded the duties and responsibility of citizens of India and appealed to avail all the resources which the country is blessed with. He reminded the struggles and the strategies of forming a government and leading the country to this 20th century era.

India has strived in all fields of knowledge and still there is a need to compete with the world nation. Dr. Narsimhulu has appealed all the citizens of the country, to abide the rules and regulations and also either faculty or student to work hard to reach the one's goal in a collective form which would bring a better world to live in. Mr. Tanveer Ahmed, Joint Secretary spoke about the amendments of constitution and every citizen should utilize the resources available in the country to improve the quality of life abiding to law & Legislation. The Vice-Chairman, Mr. Touseef Ahmed sir, has congratulated on the occasion of Independent and applauded the Unity in Diversity in India. The country has a diverse culture where respect and responsibilities are shared. He reminded the Power of Unity and Team work and acknowledged environ at Lords. Mr. Touseef quoted qualities to inculcate for being a role model to others like Dress code, Discipline, Punctuality, Commitment and Dedication towards our duty are well exemplified by National leaders of our country. He wished to see the same strategy to change the career of student community at lords. All the faculty should have a conscious effort to put forth in reaching their targets and update their credentials accordingly. The chairman of LIET appreciated and encouraged the women power in all walks of life in development of the country. Sir, has asked to know the rules and regulations about constitution and all of us should strictly abide with the law. He empowered students to create, inherit a good system of living and not be a destroyer. He reminded the best practices of India, the family system, values, respect towards elders and teachers. He said he is proud to be an Indian and no other country witness the vast diversity and unity with value inheritance. He asked to be sincere in your word and The faculty were given cash Prizes for Patents for Research and Development 25k, and paper presentations worth of 15k for more than 17 faculties of all departments individually along with certification. NPTEL certified faculties were bestowed with cash of 1100.

## 11. Teacher's Day Celebrations

05-09-2022

Teachers Day was celebrated by Department of Management studies on 5<sup>th</sup> Sep, 2022. Amidst lot of fan fare respect and enthusiasm at LIET campus. Principal, Dean's, HOD's and faculty of all departments participated in the event. Especially Women Faculty Mrs. K.B.Vanitha and K. Sarika and girl students from Lords School of Business under the Guidance of HoD Dr. Syed Hamid Mohiuddin Quadri and Mr. Nomaan Majeed, where instrumental in making this a grand gala teacher's event, in Total 50 members participated at 20 outstanding Faculties were rewarded in the program. Never the less, teachers are the harbinger of positive change in students life. Teachers Day with the help of MBA Department was celebrated to showcase 20 years of Educational Excellence and existence of LIET under the inspirational leadership of General Secreatry, Madam Mrs Rizwana Begum. LIET Faculty conferred "20

Words of Wisdom “in a colorful formal bestowal ceremony to LIET charismatic leader. In reciprocation Madam also gave Teachers Day speech to welcome all the 20 distinguished faculty on this special occasion by rewarding outstanding faculty with Reward Ceremony of LIET, Madam rightly said that 'leaders are not born, they are made'. Leading from the front, Woman Entrepreneurship is a key focus area at the campus and teachers groom young girls to aim for the moon, fly high and touch the sky.

## 12.Engineer's Day

15-09-2022

The Engineer's Day was celebrated on 15<sup>th</sup> September 2022, in honour of its true essence of engineering and the birth anniversary of India's pioneer engineer- administrator and Bharat Ratna Awardee – Mokgundam Vishveshwaraia. He was the Diwan of Mysore, as well as a great scholar and statesman. We, being an engineering institution always believe that the engineer's play a vital role in the development of society.
