TWO-WEEK INDUSTRIAL EXHIBITION
STUDENT DEVELOPMENT PROGRAM REPORT
FROM 15-03-2022 TO 25-03-2022

Department of Management studies, Lords Institute of Engineering & Technology, one of the best in class autonomous institution affiliated to Osmania University, organized an Industrial Visit for 1st year MBA students to All India Industrial Exhibition 2022 under the supervision of Mr. Nomaan Majeed. Industrial exhibition visits provide an excellent opportunity to interact with industry buyers & sellers and know more about business environment.

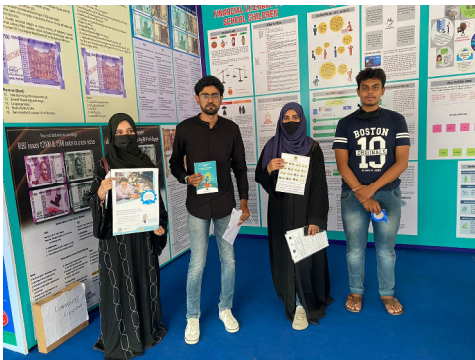

These visits have been arranged by Lords College for the students with an objective of providing students functional opportunity in different sectors like IT, Manufacturing and services, finance and marketing. The main objective of the trip was to give first hand industrial & consumer exposure to students as to how a product or service carries out its manufacturing and corporate commercial activities.

The MBA department faculty assisted the students in preparing questionnaire, separately for Buyer & Seller. Exhibition Society Board Members applauded the student efforts in conducting the research. The outcome of the survey will be done by the end of April 2022 as the data collected by the students is with them and they are writing exams. After the completion of exams, the students will also learn the

art of doing analysis for the primary data collected using the Questionnaire. Indeed, it was a great learning experience for students.

A Report on Voice Competition held by Lords School of Business

from 16th May 2022 to 20 May 2022.

WINNER : O MD OWAIS QUADRI

RUNNER : SYED ABDUL MUJEEB

The Lords Institute of Engineering and Technology has once again raised the bar high by Organizing an Outstanding Inter Departmental singing competition as a part of Lords Carnival conducted from 16th May 2022 to 20 May 2022. The MBA Department has significantly evolved to new heights by shaping itself to create interests among students on extra-curricular activities apart from regular academic activities. The Inter- Departmental singing competition was held on 20th May, 2022.

The Students like such extra-curricular activities that would help them to bring out their inner talents and further shape them up well to participate in various competitions, apart from their academic.

In this Voice Talent Competition, we conducted two rounds and selected the Winners & Runners based on their collective performance in these two rounds.

We could see great enthusiasm among the students in participating in this event and this would refresh their mind and motivate them to concentrate on their academic activities also.
