```
always:
try{
    your best and;
    do{
        what you need to do;
    }while (you still have the time);

    for(opportunity; comes; only once){
        so grab the chance;
    }
}if(you fail)
    throw "all your worries";

}catch(yourself){
    everytime you fall;
    and you know to Whom
    you should goto always;
