

Job Title: Digital Marketing

Department: BE/BTECH-Any Stream,MCA,MSC,MBA,MSW

Location: Chennai, India(WFH)

Software Tester - Batch of 2023-2024

Zynofus Technologies Private Limited is seeking a talented and motivated Digital Marketing Executive to join our dynamic marketing team. As a Digital Marketing Executive, you will play a crucial role in developing and implementing digital marketing strategies to promote our products and services, engage our target audience, and drive business growth.

Responsibilities:

- Plan and execute digital marketing campaigns across various platforms, including social media, email, search engine optimization (SEO), pay-per-click (PPC) advertising, and content marketing.
- Create, curate, and manage engaging and relevant content for digital channels, ensuring consistency in brand voice and messaging.
- Monitor, analyze, and report on the performance of digital marketing campaigns using analytics tools, and make data-driven recommendations for optimization.
- Collaborate with cross-functional teams to align digital marketing efforts with overall business goals and objectives.
- Manage and maintain the company's social media profiles and presence, including content creation, community engagement, and follower growth.
- Conduct keyword research and implement on-page and off-page SEO strategies to improve search engine rankings and organic visibility.
- Develop and manage email marketing campaigns, including creating email templates, segmenting lists, and tracking campaign performance.
- Stay up-to-date with the latest trends and best practices in digital marketing, making recommendations for continuous improvement.

- Assist in the creation and optimization of landing pages, website content, and user journeys to enhance online user experience and conversion rates.
- Collaborate with external agencies and partners to execute specific digital marketing initiatives, as needed.
- Identify and evaluate new digital marketing opportunities, tools, and technologies to stay ahead of the curve.

Qualifications and Requirements:

- **Bachelor's degree in Marketing, Communications, Business, or a related field.**
- Previous experience in digital marketing, including social media management, SEO, PPC, and content creation.
- Proficiency in digital marketing tools and platforms, such as Google Analytics, Google Ads, social media management tools, and email marketing software.
- Strong written and verbal communication skills, with the ability to create compelling and engaging content.
- Analytical mindset and data-driven decision-making abilities.
- Creative thinking and the ability to generate innovative marketing ideas.
- Detail-oriented and organized, with strong project management skills.
- Ability to work independently and collaboratively in a fast-paced environment.
- Familiarity with HTML, CSS, and website content management systems (CMS) is a plus.

Compensation and Benefits:

Annual Package: Rs.2.5Lakhs per annum

- Competitive salary and benefits package
- Opportunity to work on cutting-edge projects
- Collaborative and supportive work environment
- Opportunities for professional development
