i. Foreword

Dr.K.Nagi Reddy

**Professor & Head,
Department of Information Technology**

Greetings...!

The Department of Information Technology at Lords Institute of Engineering and Technology, Hyderabad is located in a sprawling environment with a state of art facilities and highly qualified and experienced faculty. The Department always believes in outcome-based education and also develops critical thinking, analyzing skills and inculcates research capabilities among the learners.

The department also encourages each and every learner through a Mentor–Mentee Scheme where students are emphasized for good academics, placements, to involve in active learning by using the NPTEL lectures & videos, involving in technical events, outbound activities, certification courses, curricular & co-curricular activities, sports and to take professional body membership apart from the regular syllabi. The faculty members are encouraged and provided with all required support to involve themselves in the Research Activities with includes Ph.D. Registration, Publishing Research Papers/articles in reputed journals, conferences, participate in Faculty Development Program and workshops.

The department preserves its achievements and publishes its all activities by bi–annual magazine ‘**IT-FORUM**’ I extend my sincere thanks and regards to the Management, Principal and the Staff members of the I.T. Department who always support me to implement my plans for the development of the Department.

It gives me immense pleasure to lead the department of Information Technology,

Best wishes...!

ii. Vision & Mission of Department

Vision

To be a frontier in Information Technology focusing on quality professional education, innovation and employability.

Mission

- **DM1:** Adopt innovative teaching learning processes to achieve stated outcomes and sustained performance levels.
- **DM2:** Provide learner centric environment to enrich knowledge, skills and innovation through industry academia collaborations.
- **DM3:** Train the concerned stakeholders on latest technologies to meet the industry needs.
- **DM4:** Inculcate leadership, professional, interpersonal skills and ethical values to address the contemporary societal issues.

iii. Program Educational Objectives (PEOs)

- **PEO1:** Be a competent software engineer in IT and allied industry providing viable solutions.
- **PEO2:** Exhibit professionalism, engage in lifelong learning and adopt to changing industry and societal needs.
- **PEO3:** Be effective as an individual and also cohesive in a group to execute multidisciplinary projects.
- **PEO4:** Pursue higher studies in Information Technology with emphasis on competency and innovation.
