1. Principal's Message

Greetings!

Our college has grown abundantly in the recent past. It continues to sustain its growth. People reading this newsletter will realize the tremendous changes that are happening within the campus. This newsletter is presenting a glimpse of the growth of the institution and department on many fronts. The highly qualified and dedicated staff members have always stood shoulder to shoulder with the management and have carried out their duties with full potential and high level of commitment.

This newsletter has recorded achievements of the department in many folds such as research publications, conferences attended by staff members and students as a part of regular practice under the broader umbrella of Research and Development, competitions won by the talented students, innovative projects carried out by the students with the guidance of faculties, among others.

Let's give our best and make this institution a modern sanctuary of learning through our diligence, devotion and dedication.

I congratulate all the contributors and the editorial board for bringing out such a beautiful newsletter.

Dr.C.Venkata Narasimhulu

B.Tech., M.Tech., Ph.D., SMIEEE, FIETE, LMISTE, MIE

2. Message from Head of the Department

Greetings!

The Department of Information Technology at Lords Institute of Engineering and Technology, Hyderabad is located in a sprawling environment with a state of art facilities and highly qualified and experienced faculty. The Department always believes in outcome based education and also develops critical thinking, analyzing skills and inculcates research capabilities among the learners.

The teaching learning process in the department is facilitated to empower and provide all the required support to students and the staff where each and every individual can step towards building the career and enhance their knowledge, at the same time the students will be ready to face any challenges to achieve their goals.

The department also encourages each and every learner through a Mentor–Mentee Scheme where students are emphasized for good academics, placements, to involve in active learning by using the NPTEL lectures & videos, involving in technical events, outbound activities, certification courses, curricular & co-curricular activities, sports and to take professional body membership apart from the regular syllabi.

The faculty members are encouraged to publish research papers in reputed journals, participate in Faculty Development Program and workshop through a well-supported system. The department preserves its achievements and publishes its all activities by bi–annual magazine **‘IT-FORUM’**

It gives me immense pleasure to lead the department of Information Technology.

Good Wishes!

Dr.K.Nagi Reddy
Professor & HOD

Greetings!

Welcome and best wishes to all the viewers who receive this Newsletter. It has been an interesting and busy semester for members of the Department. It gives us great opportunity to present the Volume 3, Issue-2 of the department newsletter "IT FORUM".

This internal newsletter is one of the ways in which we can disseminate information on the life of the Department. The past semester was full of various activities carried out by the students and faculty in academic, co-curricular, as well as research & developments. This edition also covers the Innovative Teaching & Learning, Student publications and placements which were carried out during the semester.

As you read through the pages you will realize, that the department had witnessed a successful semester.

We would like to thank all our colleagues for their tireless efforts to help the department progress at a very steady pace.

Editors

4. Vision & Mission

VISION OF THE COLLEGE

Lords Institute of Engineering and Technology strives continuously for excellence in professional education through quality, innovation and teamwork and to emerge as a premier institute in the state and across the nation.

MISSION OF THE COLLEGE

- To impart quality professional education that meets the needs of present and emerging technological world.
- To strive for student achievement and success, preparing them for life, career and leadership.
- To provide a scholarly and vibrant learning environment that enables faculty, staff and students to achieve personal and professional growth.
- To contribute to advancement of knowledge, in both fundamental and applied areas of engineering and technology.
- To forge mutually beneficial relationships with government organizations, industries, society and the alumni.

VISSION OF THE DEPARTMENT

To be a frontier in Information Technology focusing on quality professional education, innovation and employability.

MISSION OF THE DEPARTMENT

- **DM1:** Adopt innovative teaching learning processes to achieve stated outcomes and sustained performance levels.
- **DM2:** Provide learner centric environment to enrich knowledge, skills and innovation through industry academia collaborations.
- **DM3:** Train the concerned stakeholders on latest technologies to meet the industry needs.
- **DM4:** Inculcate leadership, professional, interpersonal skills and ethical values to address the contemporary societal issues.

Note: **DM:** Department Mission

5. About the Department

The Department is led by Dr.K.Nagi Reddy, Professor & Head, with an extensive experience and has a proven track record in academics who is a good motivator & believes in lead by example. The department is supported by the dedicated and experienced faculty with diversified technical skills. Each and every staff of the department strives to achieve the mission of the department by fostering and encouraging students with their innovative and result oriented teaching methodology of both practical and theoretical courses, effectively and make sure for the overall development of the students and thus provide first-rate exposures to the latest developments in Research and Industry of Information Technology.

The Department was re-established in the year 2018-19 with an intake of 60 which has increased to 180 during the academic year 2020-2021.

On-going programmes of the department:

B.E.(I.T.) I Year - Autonomous

B.E.(I.T.) II & III Year - Affiliated to Osmania University, Hyderabad.

B.Tech. (I.T.) III & IV Year -Affiliated to Jawaharlal Nehru Technological University, Hyderabad.

In the present semester (EVEN-Sem.) the following sections were under the department:

B.E.IV Sem. Sections A,B & C.

B.E. VISEm. Sections A & B.

B.Tech. III Year – II Sem. Section A

B.Tech. IVYear–IISem. Section A

The faculty have taken up the role of Guide for Mini Project & Major Project-Phase II where the required support and guidance have been provided to the students in all possible ways for timely completion of the projects, execution & submission.

Events like Seminars, Guest Lectures and Workshops have been conducted by the department to provide additional knowledge to the students as a part of learning beyond the classroom.

6. Board of Studies Meeting

The Second Board of Studies Meeting of the Department was held on 16-07-2022 at 2:00 pm in Board Room, Lords Institute of Engineering and Technology, Hyderabad.

Sl. No.	Name of the BoS Member	External/ Internal
1	Dr. K.Nagi Reddy Professor & HOD, Dept. of Information Technology, Lords Institute of Engineering and Technology Hyderabad	Chairperson, BoS
2	Dr. P. V. Sudha Professor , Department of CSE University College of Engineering, Osmania University, Hyderabad.	External Member (OU Nominee)
3	Dr.A.Nagesh Professor, Department of CSE, MGIT (A), Hyderabad	External Member (Subject Expert)
4	Dr. V. Venkata Krishna Professor , Department of Information Technology, Vasavi College of Engineering (A), Hyderabad.	External Member (Subject Expert)
5	Mr. G.Sravan Kumar Technical Architect ACCELERIZE 360, Hyderabad	External Member (Industry Expert)
6	Dr.C.Venkata Narasimhulu Principal, LIET	Permanent Invitee
7	Dr. J. Sasi Kiran Professor, Department of CSE , LIET	Internal Member
8	Dr. Sushama Rani Dutta Associate Professor, Department of IT , LIET	Internal Member
9	Mr. R Raj Kumar Associate Professor, Department of IT , LIET	Internal Member
10	Mrs. M.Neelima Associate Professor, Department of IT, LIET	Internal Member

Dr. K.Nagi Reddy, HOD - IT & Chairperson-BoS, LIET (A) welcomed all the members of the Board of Studies and other faculty members. On the request of Board of Studies Chairperson, the members introduced themselves. BoS Chairperson presented the salient features, curriculum analysis, and I, II, III & IV year B.E. Course Structure to the members of the BoS. After presenting the UG course structure the Chairperson welcomed suggestions and comments from all the BoS members. The BoS members appreciated the BOS chairperson and faculty members for their efforts in designing the course structure and gave suggestions on UG course structure.

7.1 Seminar on Publish Subscribe System

Event [Seminar/Seminar/Workshop]: Seminar

Event Name: Seminar on “Publish Subscribe System”

Date : 19/04/2022

Time : 10:00 AM to 1:30 PM

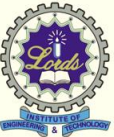

Venue : II-Floor Seminar Hall, L.I.E.T.

Resource Person: Dr. TK Shaik Shavali

Organized by: Department of Information Technology

A Seminar on **Publish Subscribe System** was organized by the Department of Information Technology on 19/04/2022 at Lords Institute of Engineering and Technology, Hyderabad. On total 87 students have participated for the event. The main objective of the Seminar was to provide the importance of distributed system in their academics as well as for placements. The convener of the event Dr. K.Nagi Reddy, HoD-IT welcomed Dr. TK Shaik Shavli, Resource Person, all the participants, Directors & Deans of LIET. Other dignitaries have shared and expressed their thoughts to the participants. The session was taken over by the resource person of the day and it was begun with Importance of the distributed system. There was a time given to the participants to raise their doubts, queries and question or any other clarification is required. Very patiently the guest has answered the queries raised by the students which was also appreciated by the participants. The resource person Dr. TK Shaik Shavali has expressed his satisfaction and happiness for the cause he was invited and also expressed that their hospitality and support extended by the IT Staff was commendable. At the end of the session, feedback from the resource person and the participants were collected and were analyzed thereafter.

7.2 Seminar on Advances in Computer Vision, AI & Applications

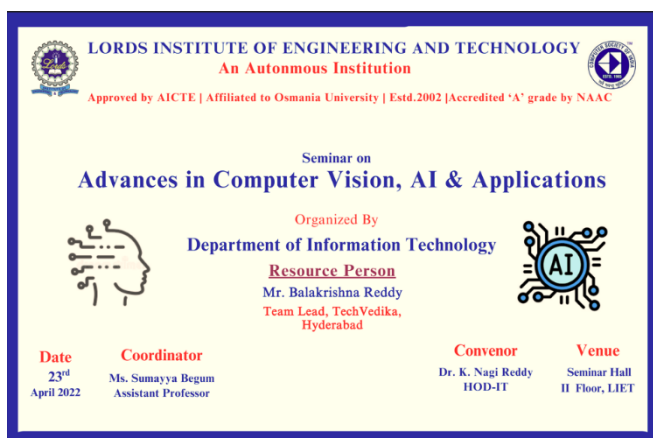

As a part of the MoU which was signed between the two i.e. TECH Vedika Software Private Limited, Hyderabad & LEIT, on behalf of I.T. Department, a Seminar on "Advances in Computer Vision, AI& Applications" was organized for all the students of B.E.II year (IV Sem.) & B.E.III year (VI Sem.) on 23/04/2022 from 10:30 AM to 1:00 PM at CSE Seminar Hall II Floor, Lords Institute of Engineering & Technology

The main objective of the seminar was to make the students learn and understand about the importance, applications and industry demand in the field of Computer Vision and Artificial Intelligence.

The occasion was graced by Dr. K. Nagi Reddy, Head of the Department-I.T., Dr.T.K.Shaik Shavali, Professor in CSE & Dean Computer Science, Dr. Sushama Rani Dutta, Associate Professor in IT & Dean Academics, Dr. Dr.C.Venkata Narasimhulu, Principal LIET, Mr. Balakrishna Reddy, Consultant, TECH Vedika Software Private Limited, Hyderabad.

A seminar was started with a positive vibrant atmosphere where the participants assembled to get the fullest input from the session which was the main motto behind the seminar. Dr. K.Nagi Reddy, Head of the Department I.T. has addressed the audience where in his opening remark the importance of Computer Vision and Artificial Intelligence & the Knowledge which students will gain after the session was informed.

8.1 Guest Lecture on Speech Signal Processing

Event [Seminar/Guest Lecture/Workshop]: Guest Lecture

Event Name : Guest Lecture on Speech Signal Processing

Date : 20/06/2022

Time : 10:00 AM to 4:30 PM

Venue : Seminar Hall, II-Floor, L.I.E.T.

Total Participants: 127

Faculty Coordinator: Ms. Saleha Butool

A one-day guest lecture on “**Speech Signal Processing**” was organized at Seminar Hall, II Floor on Saturday, 20th June 2022 from 10:00 am to 04:30 pm at Lords Institute of Engineering and Technology. Dr K.Nagi Reddy, Head of the Department, welcomed the participants. The Guest speaker Mr. M. Ramanjaneyulu is presently working as Assistant Professor, Vasavi College of Engineering, Hyderabad, India. The purpose of the second guest lecture was to make 2nd Year students understand the concepts of Signals & Systems and its applications in the field of Engineering and also prepare them for the forth coming examinations. Students were given an overview of various concepts of Signals & Systems. All the participants found this guest lecture a very useful and informative one which will surely help them to in their academics, personal and professional growth.

Banner

The banner is a rectangular poster with a blue border. At the top left is the Lords Institute of Engineering and Technology logo, and at the top right is the Central Board of Secondary Education (CBSE) logo. The text on the banner includes: "LORDS INSTITUTE OF ENGINEERING AND TECHNOLOGY", "An Autonomous Institution", "Approved by AICTE | Affiliated to Osmania University | Estd.2002 | Accredited 'A' grade by NAAC", "Guest Lecture on", "Speech Signal Processing", "Organized By", "Department of Information Technology", "Resource Person", "Mr. M. Ramanjaneyulu", "Assistant Professor, Vasavi College of Engineering", "Date", "20th June 2022", "Coordinator", "Ms. Saleha Butool", "Assistant Professor", "Convenor", "Dr. K. Nagi Reddy", "HOD-IT", and "Venue", "Seminar Hall II Floor, LIET". There is an illustration of a person sitting at a desk with a laptop and a Wi-Fi signal icon.

8.2 Guest Lecture on Layout Manager

Event [Seminar/Guest Lecture/Workshop]: Guest Lecture

Event Name: Guest Lecture on “Layout Manager”

Date : 06/06/2022

Time : 10:00 AM to 1:30 PM

Venue : II-Floor Seminar Hall, L.I.E.T.

Organized by: Department of Information Technology

A Guest Lecture on Layout Manager was organized by the Department of Information Technology on 06/06/2022 at Lords Institute of Engineering and Technology, Hyderabad. On total 150 students have participated for the event. The main objective of the Guest Lecture was to provide the importance of computational problem in their academics as well as for placements. The convener of the event Dr. K.Nagi Reddy, HoD-IT welcomed Mr. B Ramadasu, Resource Person, all the participants, Directors & Deans of LIET. Other dignitaries have shared and expressed their thoughts to the participants. The session was taken over by the resource person of the day and it was begun with Importance of the Layout Manager. Within the session Mr. B.Ramadasu has covered future demand, job prospects, challenges and opportunities. Grid layout, flow layout and many more topics were covered during the session. There was a time given to the participants to raise their doubts, queries and question or any other clarification is required. Very patiently the guest has answered the queries raised by the students which was also appreciated by the participants. The resource person Mr. B Ramadasu has expressed his satisfaction and happiness for the cause he was invited and also expressed that their hospitality and support extended by the IT Staff was commendable. At the end of the session, feedback from the resource person and the participants were collected and were analyzed thereafter.

8.3 Guest Lecture on Signals and Systems

Event [Seminar/Guest Lecture/Workshop]: Guest Lecture

Event Name : Guest Lecture on Signals and Systems

Date : 07/05/2022

Time : 10:00 AM to 4:30 PM

Venue : Seminar Hall, II-Floor, L.I.E.T.

Total Participants: 129

Faculty Coordinator: Ms. Neha Hasan

A one-day guest lecture on “Signals & Systems” was organized at Seminar Hall II-Floor, L.I.E.T. on Saturday, 07 May 2022 from 10:00 am to 04:30 pm at Lords Institute of Engineering and Technology. Dr. K. Nagi Reddy, Head of the Department, welcomed the participants. The guest lecture was graced by Dr. C.V. Narasimhulu, Principal, LIET. Dr. Shaik Shavali, Dean Computer Science and Dr. Sushma Rani Dutta, Dean Academics were also present for the inauguration function. Ms. Neha Hassan was the coordinator for the event. The purpose of the guest lecture was to make 2nd Year students understand the basic concepts of Signals & Systems and its applications in the field of Engineering and also prepare them for the forthcoming examinations. Students were given an overview of various concepts of Signals & Systems. This guest lecture was very beneficial to students in their academics, and for building up their career.

Event Name : Guest Lecture on Asymptotic Notations

Date : 16/04/2022

Time : 10:00 AM to 4:30 PM

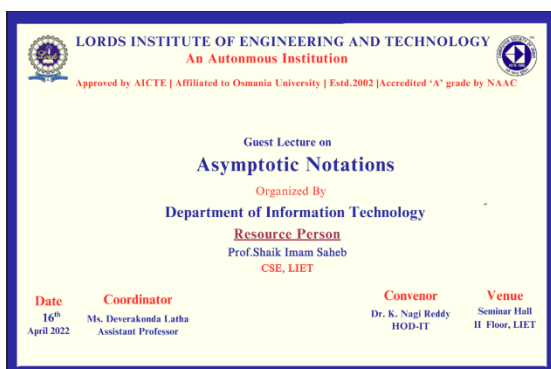

Venue : Seminar Hall, II-Floor, L.I.E.T.

Total Participants: 63

Faculty Coordinator: Ms. Deverakonda Latha

A Guest Lecture on “Asymptotic Notations” was arranged by department of IT on 16th /04/2022 at Lords Institute of Engineering & Technology, Hyderabad. On a total of 63 students have participated in the event. The main objective of this Guest Lecture was to provide some knowledge & Hands on session of Asymptotic Notations which will be useful for their academics and placements. The convenor of the event Dr.K.Nagi Reddy, HOD IT welcomed all the participants, resource person, Principal ,Deans & Directors of LIET who have participated towards this successful event.

9. Two Day National Workshop on Mobile Application Development

Event [Seminar/Guest Lecture/Workshop]: Workshop

Event Name : Two - Day National level workshop on Mobile Application Development

Date : 02/06/2022 - 03/06/2022

Time : 10:00 AM to 4:30 PM

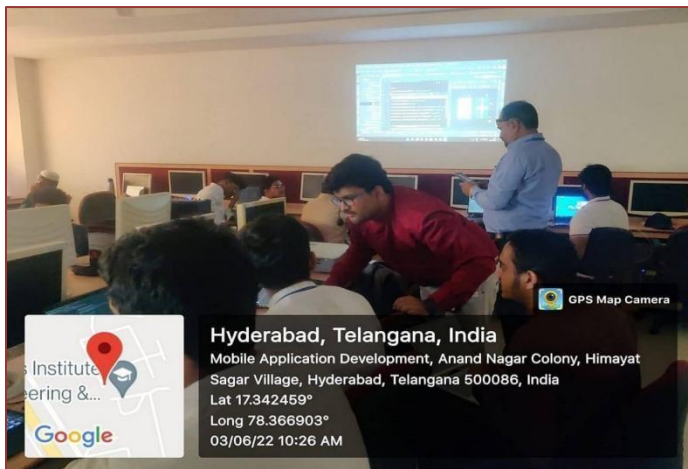

Venue : Seminar Hall, II-Floor, L.I.E.T.

Total Participants: 53

Faculty Coordinator: Ms. Kaneez Fatima

Two Days National workshop on “Mobile Application Development” was organized at Seminar Hall on Thursday and Friday, 02 June 2022 and 03 June 2022 from 10:00 am to 04:30 pm at Lords Institute of Engineering and Technology. Dr. K.Nagi Reddy , Head of the Department, welcomed the participants. The resource person has talked about Mobile application development as it is the process of creating software applications that run on mobile devices such as smartphones and tablets. It involves several stages, including planning, design, development, testing, and deployment. Here's an overview of the key aspects involved in mobile application development: The guest lecture was graced by Dr. C.V. Narasimhulu, Principal, LIET. Dr.Shaik Shavali, Dean Computer Science and Dr.Sushma Rani Dutta, Dean Academics were also present for the inauguration function. Ms. Kameez Fatima was the coordinator for the event.

10. Research & Development

The department encourages and promotes the faculty and students to involve themselves in the research and development activities like Research Publications, Attending FDPs, Seminars & Workshops across country.

11.Faculty Achievements/Awards/ NPTEL

National Programme on Technology Enhanced Learning (NPTEL) is a project of MHRD initiated by seven Indian Institutes of Technology (Bombay, Delhi, Kanpur, Kharagpur, Madras, Guwahati and Roorkee) along with the Indian Institute of Science, Bangalore in 2003, to provide quality education to anyone interested in learning from the IITs. The main goal was to create web and video courses in all major branches of engineering and physical sciences at the undergraduate and postgraduate levels and management courses at the postgraduate level

NPTEL certifications

S.No	Name of the Faculty	Name of course	Month & Year of Enrollment	Awards/Remarks
1.	Dr. K Nagi Reddy	Design and Analysis of Algorithm	Jan-Apr 2022	Successfully completed
2.	Mrs. M Neelima	Computer Networks and Internet Protocol	Jan-Apr 2022	Elite + Silver Certificate
3.	Mrs. Kaneez Fatima	The Joy of Computing using Python	Jan-Apr 2022	Elite Certificate
4.	Ms. Sumayya Begum	Cloud Computing	Jan-Apr 2022	Elite + Silver Certificate
5.	Ms. Neha Hasan	Cloud Computing and Distributed Systems	Jan-Feb 2022	Elite Certificate
6.	Mr. k. Somanatha	Computer Networks and Internet Protocol	Jan-Apr 2022	Elite Certificate
7.	Ms. Saleha Butool	Software Testing	Jan-Feb 2022	Successfully completed

NPTEL Online Certification
(Funded by the MoE, Govt. of India)

This certificate is awarded to
KANDUKURI NAGI REDDY
for successfully completing the course
Design and Analysis of Algorithms
with a consolidated score of **58 %**
Online Assignments 22.5/25 Proctored Exam 35.63/75
Total number of candidates certified in this course: **371**

Prof. Devendra Jalihal
Chairman
Centre for Continuing Education, IITM

Jan-Mar 2022
(8 week course)

Prof. Andrew Thangaraj
NPTEL Coordinator
IIT Madras

Indian Institute of Technology Madras

swayam

Roll No: NPTEL22CS27533580101 To validate and check scores: <https://nptel.ac.in/noc>

NPTEL-AICTE Faculty Development Programme
(Funded by the MoE, Govt. of India)

This certificate is awarded to
NEELIMA RAGHAVENDAR
for successfully completing the course
Computer Networks and Internet Protocol
with a consolidated score of **77 %**

Prof. Andrew Thangaraj
NPTEL Coordinator
IIT Madras

(Jan-Apr 2022)

Prof. Dileep N. Mahkade
Advisor (Research, Institute & Faculty Development)
All India Council for Technical Education

Roll No: NPTEL22CS19513532391

The candidate has studied the above course through MOOCs mode, has submitted online assignments and passed proctored exams. This certificate is therefore acceptable for promotions under CAS as per AICTE notifications dated 24th July 2018, similar to other research / orientation courses. F.No. AICTE / RPD / FDP through MOOCs / 2017-18

Elite NPTEL Online Certification
(Funded by the MoE, Govt. of India)

This certificate is awarded to
KANEZ FATIMA
for successfully completing the course
The Joy of Computing using Python
with a consolidated score of **72 %**
Online Assignments 24.88/25 Programming Exam 25/25 Proctored Exam 21.81/50
Total number of candidates certified in this course: **7438**

12. Innovative Teaching and Learning Methods

Peer to peer Learning

Idea: Attempt to explain the topic for a particular concept related to subject (Java Programming)

Implementation: Peer to peer learning is when one or more students teach each other students regardless of whether individuals have any level of knowledge, all are required to support each other throughout the learning process. It's important each learner is treated the same no matter their ability. **Outcome:** Creating interest among the students in knowing the topic

Seminars s Presentation

Idea: To make students give a presentation on a given topic

Implementation: Selected 5 to 6 topics given to some students. They are asked to prepare and give seminars on the given topics.

Outcome: Improved presentation skills of student and better analyzing of a topic

14.Co- Curricular Activities

Our department always encourages students to participate in co-curricular activities. We are fortunate to have so enthusiastic and talented students who have brought laurel to the name of our department. It has only added to our department's prestige and good name. The support and encouragement of the faculty throughout the entire semester are truly remarkable. Be it a sports, dance, and singing competition, quiz or any other tournament they stood by rock. It would not have been possible without their guidance

15. Student Awards/Rewards

18.Parent Teacher Meeting

The Parent Teacher Meeting for B.E. 4th and 6th Semester students was organized on June 04th 2022 in the Seminar Hall to discuss about student's progress and performance with parents. The parents were intimated about the meeting well in advance through telephone by class In-charges and Mentors. The goal was to build a healthy relationship with the students and parents.

Interaction with Parents:

Head of the Department, Class In-charges and Mentors interacted with parents. In this meet the performance and progress of the students in the current and previous semesters are discussed with parents. Parents were informed regarding the importance of CRT Training Program and had been asked to encourage their wards to participate in CRT Training classes in upcoming semester. Also discussed regarding the upcoming II Mid exams which will be conducted during first week of February. The Progress Report of every student of present semester had been given to parents. Also discussed with parents about the future plans of department in the upcoming semester and taken the feedbacks from parents.
