## 1. Principal's Message

Greetings!

Our college has grown abundantly in the recent past. It continues to sustain its growth. People going through this updated newsletter of this semester letter will realize the tremendous changes are happening with in the campus. This newsletter is presenting a glimpse of the growth of the institution and department on many fronts. The highly qualified, experienced and dedicated staff members have always stood shoulder to shoulder with the management and have carried out their duties with full potential and high level of commitment.

This newsletter has recorded achievements of the department in many folds such as research publications, conferences attended by staff members and students as a part of regular practice under the broader umbrella of Research and Development, competitions won by the talented students, innovative projects carried out by the students with the guidance of faculties, among others.

Let's give our best and make this institution a modern sanctuary of learning through our diligence, devotion and dedication.

I congratulate all the contributors and the editorial board for bringing out such a beautiful newsletter.

**Dr.C.Venkata Narasimhulu**

B.Tech., M.Tech., Ph.D., SMIEEE, FIETE, LMISTE, MIE

## 2. Message from Head of the Department

Greetings!

The Department of Information Technology at Lords Institute of Engineering and Technology, Hyderabad is located in a sprawling environment with a state of art facilities and highly qualified and experienced faculty. The Department always believes in outcome based education and also develops critical thinking, analyzing skills and inculcates research capabilities among the learners.

The action plans which are being discussed during the College Academic Counsel Meetings and the Departmental Level Meetings are being implemented. The teaching learning process in the department is facilitated to empower and provide all the required support to students and the staff where each and every individual can step towards building the career and enhance their knowledge, at the same time the students will be ready to face any challenges to achieve their goals.

The department also encourages each and every learner through a Mentor–Mentee Scheme where students are emphasized for good academics, placements, to involve in active learning by using the NPTEL lectures & videos, involving in technical events, outbound activities, certification courses, curricular & co-curricular activities, sports and to take professional body membership apart from the regular syllabi. The faculty members are encouraged and provided with all required support to involve themselves in the Research Activities with includes Ph.D. Registration, Publishing Research Papers/articles in reputed journals, conferences, participate in Faculty Development Program and workshops.

The department preserves its achievements and publishes its all activities by bi–annual magazine **'IT-FORUM'**

I extend my sincere thanks and regards to the Management, Principal and the Staff members of the I.T. Department who always support me to implement my plans for the development of the Department.

It gives me immense pleasure to lead the department of Information Technology. Good Wishes!

**Dr.K.Nagi Reddy**  
**Professor & HOD**

### *3. Message from Editors*

Greetings!

Welcome and best wishes to all the viewers who receive this Newsletter. It has been an interesting and busy semester for members of the Department. It gives us great opportunity to present the department newsletter “IT-FORUM”.

This internal newsletter is one of the ways in which we can disseminate information on the life of the Department. The past semester was full of various activities carried out by the students and faculty in academic, co- curricular, as well as research & developments. This edition also covers the Innovative Teaching & Learning, Student publications and placements which were carried out during the semester. As you read through the pages you will realize, that the department had witnessed a successful semester.

We would like to thank all our colleagues for their tireless efforts to help the department progress at a very steady pace.

*Editors*

## *4. Vision & Mission*

### **VISION OF THE COLLEGE**

Lords Institute of Engineering and Technology strives continuously for excellence in professional education through quality, innovation and teamwork and to emerge as a premier institute in the state and across the nation.

### **MISSION OF THE COLLEGE**

- To impart quality professional education that meets the needs of present and emerging technological world.
- To strive for student achievement and success, preparing them for life, career and leadership.
- To provide a scholarly and vibrant learning environment that enables faculty, staff and students to achieve personal and professional growth.
- To contribute to advancement of knowledge, in both fundamental and applied areas of engineering and technology.
- To forge mutually beneficial relationships with government organizations, industries, society and the alumni.

### **VISSION OF THE DEPARTMENT**

To be a frontier in Information Technology focusing on quality professional education, innovation and employability.

### **MISSION OF THE DEPARTMENT**

- **DM1:** Adopt innovative teaching learning processes to achieve stated outcomes and sustained performance levels.
- **DM2:** Provide learner centric environment to enrich knowledge, skills and innovation through industry academia collaborations.
- **DM3:** Train the concerned stakeholders on latest technologies to meet the industry needs.
- **DM4:** Inculcate leadership, professional, interpersonal skills and ethical values to address the contemporary societal issues.

Note: **DM:** Department Mission

## *5. About the Department*

The Department is lead by Dr.K.Nagi Reddy, Professor & Head, with an extensive experience and has a proven track record in academics who is a good motivator & believes in lead by example. The department is supported by the dedicated and experienced faculty with diversified technical skills. Each and every staff of the department strives to achieve the mission of the department by fostering and encouraging students with their innovative and result oriented teaching methodology of both practical and theoretical courses, effectively and make sure for the overall development of the students and thus provide first-rate exposures to the latest developments in Research and Industry of Information Technology.

The Department was re-established in the year 2018-19 with an intake of 60 which has increased to 180 during the academic year 2020-2021.

On-going programmes of the department:

B.E.(I.T.) I & II Year-Autonomous

B.E.(I.T.) III & IV Year –Affiliated to Osmania University, Hyderabad.

B.Tech.(I.T.) IV Year-Affiliated to Jawaharlal Nehru Technological University, Hyderabad.

In the present semester (ODD) the following sections were under the department:

B.E. III Sem. Sections A, B & C (Autonomous).

B.E. V Sem. Sections A, B & C.

B.E. VII Sem. Sections A & B.

B.Tech. IV Year–I Sem. Section A.

The faculty have taken up the role of Guide for Major Project-Phase I where the required support and guidance have been provided to the students in all possible ways for timely completion of the projects, execution & submission.

Events like Seminars, Guest Lectures and Technical events have been conducted by the department to provide additional knowledge to the students as a part of learning beyond the classroom.

## **6. Research & Development**

The department always encourages and promotes the faculty and students to involve themselves in the research and development activities like Research Publications, Attending FDPs, Seminars & Workshops across country.

### **6.1 Conference Publication**

## *7.1 Seminar on Unstructured Data Concepts*

**Event [Seminar/Guest Lecture/Workshop]: Seminar**

**Event Name: Seminar on “Unstructured Data Concepts”**

**Date : 23/01/2023**

**Time : 10:00 AM to 1:30 PM**

**Venue : II-Floor Seminar Hall, L.I.E.T.**

**Organized by: Department of Information Technology**

A Seminar on Unstructured Data Concepts was organized by the Department of Information Technology on 23/01/2023 at Lords Institute of Engineering and Technology, Hyderabad. On total 97 students have participated for the event. The main objective of the Seminar was to provide the importance of Analytics in their academics. The convener of the event Dr. K.Nagi Reddy, HoD-IT welcomed all the participants, resource person and Directors & Deans of LIET who have showered their wishes to the participants towards their successful career.

### **Banner**

<b>Date</b> 23 <sup>rd</sup> January 2023	<b>Coordinator</b> Ms. Muqtadir Talat Assistant Professor	<b>Resource Person</b> Dr. Shaik Khaleel Ahamed, Associate Professor, Dept. of CSE, MCET, Hyderabad	<b>Venue</b> Seminar Hall 2 <sup>nd</sup> Floor, LIET

## 7.2 Guest Lecture on Scheduling Algorithms and its Types

**Event [Seminar/Guest Lecture/Workshop]: Guest Lecture**

**Event Name : Guest Lecture on “ Scheduling Algorithms and its Types”**

**Date : 07/01/2023**

**Time : 10:00 AM to 4:30 PM**

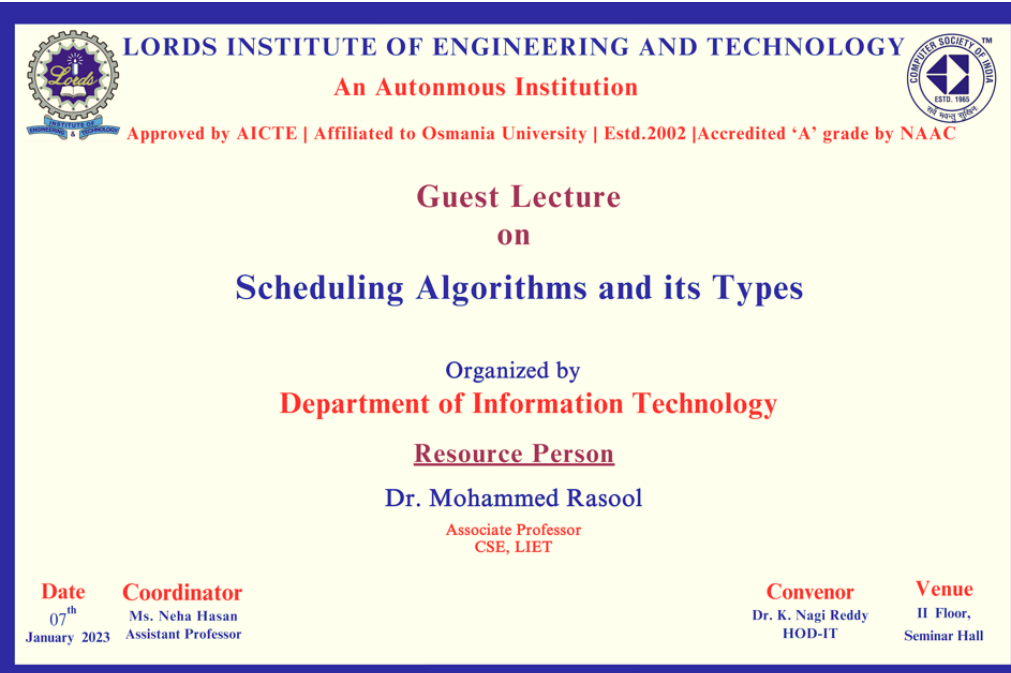

**Venue : Seminar Hall, II-Floor, L.I.E.T.**

**Total Participants: 147**

**Faculty Coordinator: Ms. Neha Hasan**

A Guest Lecture on “**Scheduling Algorithms and its Types**” was arranged by department of IT on 07/01/23 at Lords Institute of Engineering & Technology, Hyderabad. On a total of 147 students have participated in the event. The main objective of this was to provide some knowledge on Scheduling Algorithms and its Types which will be useful for their academics and placements. The resource person has talked about Scheduling algorithms and how it plays a crucial role in various computing systems, from operating systems managing tasks to network routers prioritizing data packets. Their importance lies in optimizing resource utilization, minimizing latency, and maximizing throughput. Here's a breakdown of their significance and types: The convenor of the event Dr.K.Nagi Reddy, HOD IT welcomed all the participants, resource persons, Principal ,Deans & Directors of LIET who have participated towards this successful event.

### Banner

The banner is a rectangular poster with a blue border. At the top left is the Lords Institute of Engineering and Technology logo. To its right, the text reads: "LORDS INSTITUTE OF ENGINEERING AND TECHNOLOGY", "An Autonomous Institution", and "Approved by AICTE | Affiliated to Osmania University | Estd.2002 | Accredited 'A' grade by NAAC". At the top right is the Chartered Society of India logo. The center of the banner contains the text: "Guest Lecture on Scheduling Algorithms and its Types", "Organized by Department of Information Technology", and "Resource Person Dr. Mohammed Rasool, Associate Professor, CSE, LIET". At the bottom left, it lists the "Date" as 07<sup>th</sup> January 2023 and the "Coordinator" as Ms. Neha Hasan, Assistant Professor. At the bottom right, it lists the "Convenor" as Dr. K. Nagi Reddy, HOD-IT, and the "Venue" as II Floor, Seminar Hall.

### 7.3 Guest Lecture on Digital Logic Design

A one day guest lecture on “Digital Logic Design” was organized at Seminar Hall on Friday 24<sup>th</sup> December 2022 from 10:00 am to 04:30 pm at Lords Institute of Engineering and Technology.

Dr. K. Nagi Reddy, Head of the Department, welcomed the participants. The resource person for the Guest Lecture was Mr. Karipe Srikanth, Assistant Professor, Vasavi College of Engineering, Hyderabad. The event was graced by the Convener & HOD –IT, Dr. K. Nagi Reddy and Dr. C. V. Narsimhulu, Principal, LIET along with Mr. Karipe Srikanth. Ms. Sumayya Begum was the coordinator for the event.

The purpose of the guest lecture was to make 2<sup>nd</sup> Year students understand the basic concepts and importance of Digital Logic Design and its applications in the field of Engineering and also prepare them for the forthcoming examinations. Students were given an overview of various concepts of Digital Logic Design. All the important concepts related to their academics have been discussed by the resource person.

The Department of Information Technology at Lords Institute of Engineering has conducted a Guest Lecture on for B.E. II Year students. Students have expressed their happiness that the department has conducted a Guest Lecture on such an important topic which will help students in their academics.

Students have expressed their happiness that the department has conducted a Guest Lecture on such an important topic which will help students in their academics.

## 7.4 Guest Lecture on “Foreign Agent and Home Agent in Tunneling”

**Event [Seminar/Guest Lecture/Workshop]: Guest Lecture**

**Event Name: Guest Lecture on “Foreign Agent and Home Agent in Tunneling”**

**Date : 19/12/2022**

**Time : 10:00 AM to 1:30 PM**

**Venue : II-Floor Seminar Hall, L.I.E.T.**

**Organized by: Department of Information Technology**

A Guest Lecture on Foreign Agent and Home Agent in Tunneling was organized by the Department of Information Technology on 19/12/2022 at Lords Institute of Engineering and Technology, Hyderabad. On total 132 students have participated for the event. The main objective of the Guest Lecture was to provide the importance of cryptography in their academics. The convener of the event Dr. K.Nagi Reddy, HoD-IT welcomed all the participants, Directors & Deans of LIET.

## 7.5 Network Flows in Graph Theory

**Event [Seminar/Guest Lecture/Workshop]: Guest Lecture**

**Event Name : Guest Lecture on “Network Flows in Graph Theory”**

**Date : 14/12/2022**

**Time : 10:00 AM to 1:30 PM**

**Venue : Seminar Hall, II-Floor, L.I.E.T.**

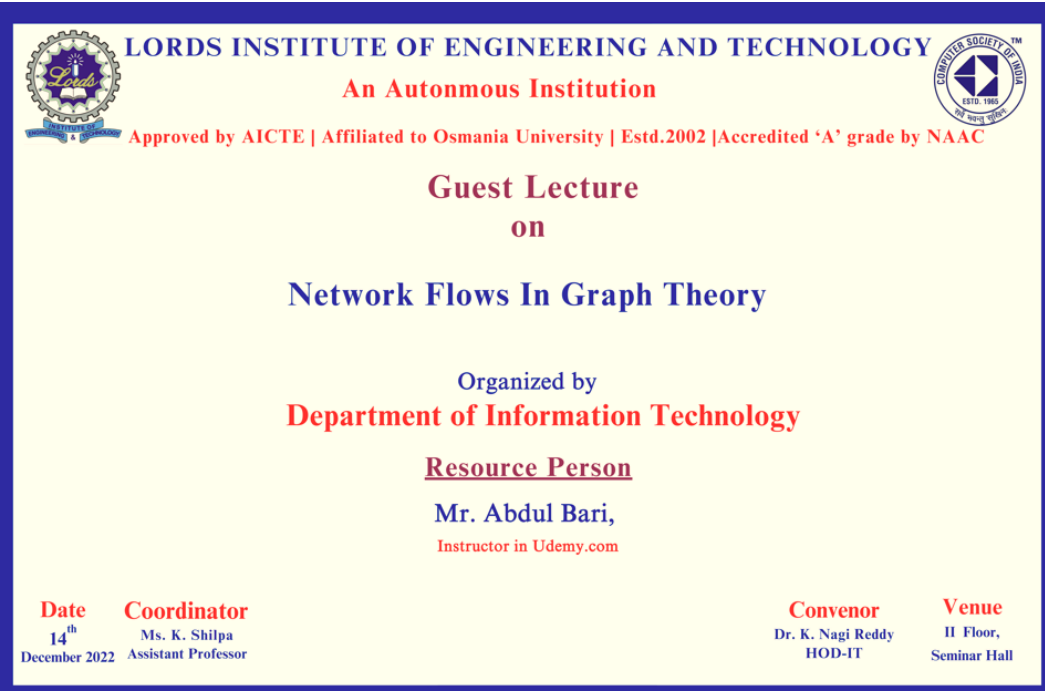

**Coordinator : Ms. K Shilpa**

**Resource Person: Abdul Bari,**

**Organized by: Department of Information Technology**

A Guest Lecture on Network Flows in Graph Theory was organized by the Department of Information Technology on 14th December 2022 at Lords Institute of Engineering and Technology, Hyderabad. On total 151 students have participated for the event. The main objective of the Guest Lecture was to provide the importance of Data Structures in their academics as well as for placements. The convener of the event Dr. K.Nagi Reddy, HoD-IT welcomed all the participants, resource person and Directors & Deans of LIET who have showered their wishes to the participants towards their successful career.

### Banner

The banner is a rectangular graphic with a yellow background and a blue border. At the top left is the Lords Institute of Engineering and Technology logo, and at the top right is the Computer Society of India logo. The text is centered and reads: 'LORDS INSTITUTE OF ENGINEERING AND TECHNOLOGY' in blue, followed by 'An Autonomous Institution' in red. Below this is a line of accreditation text in red: 'Approved by AICTE | Affiliated to Osmania University | Estd.2002 | Accredited 'A' grade by NAAC'. The main title 'Guest Lecture on Network Flows In Graph Theory' is in blue. Below it, 'Organized by Department of Information Technology' is in red. The 'Resource Person' section lists 'Mr. Abdul Bari, Instructor in Udemy.com' in blue. At the bottom, there are four columns of text: 'Date 14<sup>th</sup> December 2022', 'Coordinator Ms. K. Shilpa Assistant Professor', 'Convener Dr. K. Nagi Reddy HOD-IT', and 'Venue II Floor, Seminar Hall'.

### *7.7 Seminar on Corporate Skills and Personality Management*

A Seminar on “Corporate Skills and Personality Management” was conducted in seminar Hall , II Floor at Lords Institute of Engineering and Technology on 9<sup>th</sup> November 2022 from 10:30AM to 1:00PM for the B.E. III and IV Year Students. The resource person for the seminar was Mr.Prashanth Bathala,Sr.Technical Architect, Hitachi Vantara Solutions, Hyderabad.

In his session the importance and the need of corporate skills and personality development was discussed and also various skills and etiquette students should possess was informed to all the participants. The event was graced by the Convener & HOD–IT, Dr.K.Nagi Reddy, Dr. Sunil Vijaya Kumar, Dean CSE & Allied Branches along with Mr. Prashanth Bathala.

Students have expressed their happiness that the department has conducted a seminar on such an important topic which will help students in career aspects.

**Total Participants: 156**

**Faculty Coordinator: Ms. Muqtadir Talhat**

A one day guest lecture on “SE Agile Methodologies” was organized at CSE Seminar Hall on Saturday 17<sup>th</sup> September 2022 from 10:00 am to 04:30 pm at Lords Institute of Engineering and Technology. Dr. K. Nagi Reddy, Head of the Department, welcomed the participants. The resource person for the Guest Lecture was Mr. Syed Ameer uddin, Software Developer, Data Point InfoTech Solutions, Hyderabad. The event was graced by the Convener & HOD –IT, Dr. K. Nagi Reddy and Dr. C. V. Narsimhulu, Principal, LIET along with Ms. Muqtadir Talhat who was the coordinator for the event.

The purpose of the guest lecture was to make 3<sup>rd</sup> Year students understand the basic concepts and importance of Software Engineering and its applications in the field of Engineering and also prepare them for the forthcoming examinations. Students were given an overview of various concepts of SE Agile Methodologies. All the important concepts related to their academics have been discussed by the resource person. The Department of Information Technology at Lords Institute of Engineering has conducted a Guest Lecture on for B.E. III Year students. Students have expressed their happiness that the department has conducted a Guest Lecture on such an important topic which will help students in their academic.

## 8. Faculty Achievements

S. No	Name of the Faculty	Name of course	Month & Year of Enrollment	Awards/Remarks
1.	Dr.K. Nagi Reddy	Theory of Computation	July-Sep2022	Elite Certificate
2	Mr.Suraj Prakash Yadav	The Joy of Computing using Python	July-Oct2022	Elite+Silver Certificate
3	Mrs.M Neelima	Software Engineering	July-Sep2022	Successfully Completed
4	Mrs.Kaneez Fatima	Python for Data Science	July-Aug2022	Successfully Completed
5	Ms.Khutaija Abid	Python for Data Science	July-Aug2022	Elite Certificate
6	Ms.Saleha Butool	Distributed Systems	July-Sep2022	Elite+Silver Certificate
7	Ms. B. Nagalakshmi	Programming In Java	July-Oct2022	Elite+Silver Certificate

## ***12 Formation of Student Association***

**IT Students Association (ITSA)** is a student association initiated by department. The motto of the association is to encourage the students for expressing their talent in Co-Curricular and Extra curricular activities, learn from alumni, faculty and peers. ITSA conducts competitions in Technical, Cultural and Sports events. Dr. K Nagi Reddy, HOD, IT is a Convener and Mr. Suraj Praksah Yadav is the Faculty Coordinator for the Association.

### **Functions**

- To encourage students to develop their intra-personal skills, self-confidence, communication skills, general knowledge by conducting Debates, Quiz, Paper Presentation competitions etc.
- To encourage the students to enhance their interests in extra curricular activities by conducting competitions like Dancing, Singing, Role plays etc.
- To enable students to develop a healthy competitive spirit by competing with students of other departments & colleges, via Intra & Inter Collegiate events.
- To provide a platform to students for knowledge sharing by organizing guest lectures, workshops.
- To provide students with scope and encouragement for the expression of their talent.

### **Roles and responsibilities of the Secretary**

- To plan activities under department association.
- To conduct meetings related to activities to be organized and related issues for smooth functioning of the association.

### **Roles and responsibilities of the Convener**

- To plan the cocurricular activities of the department in coordination with department regular activities.
- Motivating & encouraging the students of the department to participate/ register in various co-curricular activities.
- To allot the activity coordinator for each activity in association with the department HoD.
- To keep records, summary and documentations of all the events or activities organized.
- To prepare Minutes of Meeting for every meeting conducted.
- To upload the data of events organized in the website.

### **Roles and responsibilities of the Faculty coordinator**

- Motivating the students and registering the students to the stated activity.
- Recording of the events and preparation of documents of the organized events/activities i.e., registration forms, winners list, feedback forms.
- To prepare the report of the event or activities organized.

### **Roles and responsibilities of the Student members**

- To motivate the fellow students to participate in the activity.
- To act as a organizer & volunteer to the activity and participant to that event.
- To provide feedback on the organized event/activity.

#### **Committee List:**

<b>S.No</b>	<b>Name</b>	<b>Roll No.</b>	<b>Designation</b>
01	Uzair Mirza Baig	160919737115	President
02	Ameen Uddin	160919737009	Vice President
03	Md. Zaheer Uddin	160920737303	Associate President

Two events has been conducted in association with ITSA namely, National Level Technical Fest-  
TeckFiesta2K22 and International Daughter's Day

## 14.National Level Technical Fest – TeckFiesta2K22

A Two Day National Level Technical Fest “TeckFiesta2K22” was Organized by I.T. Department in association with ITSA On 3<sup>rd</sup> & 4<sup>th</sup> November 2022 at Lords Institute of Engineering and Technology, Hyderabad. In these two days of “IT Tech Fest” total 917 students from various colleges have participated in the Technical and Non-Technical Events.

The convener of the event was Dr. K. Nagi Reddy, Professor and Head, Department of I.T. The chief guest of the event was Dr. P. V. Sudha, Professor CSE Department, University College of Engineering, Dean-Faculty of Informatics, Osmania University, Hyderabad. In her address to the audience she informed the student participants about the benefits of participating in such events which are conducted by the colleges for the development of the students.

The Prizes & Certificates were distributed for the winners and runners of all the events.

### *15. International Daughter's Day*

Department had conducted an event on the occasion of International Daughter's Day Celebration on 24th September 2022 in association with ITSA. In order to facilitate & encourage the young female faculty working in the dept of IT, LIET. Dr. K Nagi Reddy Head of IT Department had taken the initiative to organize this event on behalf of IT dept. Mrs. Rizwana Begum, Secretary – Lords Institute of Engineering & Technology was the chief guest of the event.

She had emphasized on the importance of having a girl child and how we need to provide the quality education to the young girls and nurture them by providing conceptual knowledge, employability skills along with human values, and positive attitude so that a girl can become a self-independent woman one day.

Dr. C.V. Narasimhulu, Principal had appreciated Dr. K. Nagi Reddy, HOD, IT, for organizing International Daughters Day Celebration event in LIET Campus.

## *16. Parent Teacher Meeting*

The Parent Teacher Meeting for B.E. 3<sup>rd</sup>, 5<sup>th</sup> & 7<sup>th</sup> Semester students was organized on December 12<sup>th</sup> 2022 in the Seminar Hall to discuss about student's progress and performance with parents. The parents were intimated about the meeting well in advance through telephone by class In-charges and Mentors. The goal was to build a healthy relationship with the students and parents.

### *Interaction with Parents:*

Head of the Department, Class In-charges and Mentors interacted with parents. In this meet the performance and progress of the students in the current and previous semesters are discussed with parents. Parents were informed regarding the importance of CRT Training Program and had been asked to encourage their wards to participate in CRT Training classes in upcoming semester. Also discussed regarding the upcoming CIE II exams which will be conducted during third week of January. The Progress Report of every student of present semester had been given to parents. Also discussed with parents about the future plans of department in the upcoming semester and taken the feedbacks from parents.
